Civic Groups Donate Many Needed Items To Hospital In Drive Made By New Auxiliary

The newly organized Everglades Memorial Hospital Auxiliary at a meeting at the hospital Tuesday night, with Mrs. L. W. Armstrong, president, presiding, adopted a constitution and bylaws drawn up by a special committee. Mrs. C. A. Canipe gave the report of the committee.

Mrs. Earl Pitts, membership chairman, reported an intensive auxiliary membership drive got under way on Monday. The entire Pahokee-Canal Point area will be covered in the drive and funds raised in membership fees collected in the drive will go toward the purchase of an oxygen tent for the hospital.

Representatives from various civic and religious groups were present at the meeting and reported on what their groups have donated or are planning to donate to the hospital.

Mrs. J. H. Bordeaux reported the Canal Point Baptist Woman's Missionary Society has made and donated two adult hospital gowns, eight infant shirts and a high chair.

It was reported the Everglades Business and Professional Woman's Club is donating a high chair.

Mrs. Earl Pitts reported the donation of a large skillet and two adult hospital gowns by the Nazarene Woman's Missionary Society.

Mrs. James B. Tripp, representing the Woman's Christian Temperance Union, volunteered to take care of the hospital's mending needs.

Mrs. Pope Sears was welcomed as a representative from the Canal Point Methodist Woman's Society of Christian Service.

Mrs. Edna Barrett, representing the Pahokee Chapter, Order of Eastern Star, reported the donation of a nursery chair.

Mrs. C. L. Wilder reported the Altar Society of St. Mary's Church plans to make a donation to the hospital in the near future and the same statement was made for the Pahokee Woman's Club by Mrs. Frank Friend.

Mrs. Robert Hutton reported she is donating a nursery crib.

The donation of a 12-inch skillet by the Beta Sigma Phi Sorority was also reported.

Immediate needs for the hospital listed at the meeting included training pants, two baby cribs, a play pen, toys of all kinds, extra large pots and pans and double boiler for the hospital kitchen, shelves, cabinets and a sink for the colored nursery, lawn umbrellas and a used washing machine still in serviceable condition. The hospital also needs the services of someone to answer the telephone from 3 to 9 p. m., daily.

Several years ago an entire rail-road carload of lily bulbs was planted at Cypress Gardens.

Williams Resigns Canal Point School

Claude Williams has announced he is resigning as principal of the Canal Point School effective at the close of the current school term, May 30. Mr. Williams has served as principal at the Canal Point School for the past two years.

Fire At Delmar Hooks Store Ruins Shed, Two Tractors

Delmar L. Hooks' grocery store on Lake Front St., Canal Point, was threatened by fire Saturday afternoon, when the implement shed at the rear of the store caught fire from a nearby trash fire and burned rapidly to the ground.

Though the concrete block construction of the store building acted as a fire wall and retarded the flames the rear gable was ablaze and the fire was spreading into the attic by the time the Pahokee Fire Department secured a source of water and got its hose hooked up and put out the fire.

Two tractors owned by Mr. Hooks, in the shed at the time of the fire, were badly damaged.

A store building on the site of the present building was lost by Mr. Hooks in a fire a few years ago.

County Rotarians Will Gather Canal Point On Thursday

Rotarians from all over Palm Beach county will gather in Canal Point next Thursday at noon in an annual get-together as guests of the Pahokee Rotary club. Senator George Smathers will be the featured speaker.

The Pahokee club has invited all clubs in the county and at present it looks like nearly 200 will take advantage of the invitation. Fish, bushpuppies, corn on the cob, radishes, green onions, celery and ice tea will make up the menu.

Many other dignitaries have been invited to attend the meeting. Outstanding among them will be State Commissioner of Agriculture Nathan Mayo who will be re-elected to his present office without opposition since his opponent, John D. Kennedy, of Orlando withdrew recently. Mayo is always a welcome visitor in the Glades section of the county which he has so ardently helped to develop. He will be accompanied by Cliff Green, manager of the Glades Prison Farm at Belle Glade.

State Senator Russell O. Morrow and Representative John Bollinger will be guests of House Speaker B. Elliott who is one of the charter members of the Pahokee club.

The meeting is scheduled to be held in the new Community Building at the County Park in Canal Point one of the few places large enough to accommodate the 200 visitors.

Cattlemen Plan For Annual Show

Cattlemen throughout 12 South Florida counties were getting ready this week to exhibit the best of the herds in the 4th annual Southeast Florida Livestock Show to be held at Belle Glade April 10 and 11.

The program is being arranged by County Agent M. U. Mounts and his two aides, John Causey and H. L. Speer. The show will be held at Mayo Pavilion in the Glades.

Causey said that 125 animals were exhibited last year and that registrations for the show are expected to exceed last year's entries by fifty percent.

The livestock show will be for purebreds and graded cattle and will likely include Herefords, Brahmas, Angus and a few Short Horns, Causey reported.

Judged for the event will be Dr. O. F. Goen, Gainesville, who will judge the English breeds and Dr. W. G. Kirk, Orlando, who will judge the Brahma cattle.

Counties involved are Indian River, St. Lucie, Martin, Palm Beach, Broward, Dade, Hendry, Glades, Okeechobee, Highlands, Lee and Osceola.

Benefit Dinner

This Friday evening, Mar. 28, the Pahokee School cafeteria will be the scene of a benefit dinner given by the First Methodist Woman's Society of Christian Service from 6 to 8 p. m. Tickets will be \$1 for adults and 75 cents for children.

Board Gets First Right-Of-Way For Six Mile Bridge

First piece of right-of-way for a new approach to Six Mile bridge near Belle Glade was approved by the County Commission this week at the request of Commissioner Paul Rardin.

The board voted to accept the recommendation of County Engineer J. M. Boyd for procurement of a piece of right of way on the east side of the canal approaching the span which has been the scene of several serious auto accidents in recent months.

Rardin said the county board had started condemnation proceedings to procure needed additional right-of-way for new approaches to the bridge.

Also in connection with Six Mile bridge, Commissioner Rardin told the board this week that flashing signals had been installed at the span and were in operation. A recent check of the flasher, Rardin said, proved that they can be seen from several hundred yards from either side of the bridge. Said the Glades Commissioner "I anticipate no further accidents if the motoring public will heed the flashing signals since red means danger."

Other right of way matters considered by the board this week included approval of a request from the State Road Department for certification of right-of-way for resurfacing and widening State Road 80 between military trail and Loxahatchee; extension of Lake Park West Road; extension of Lantana West Road and approved a right-of-way settlement for extension of Australian Ave in West Palm Beach.

The board also ordered the ballots printed for the May 6 primary election.

Further evidence of Haleah's international fame appears in the latest issue of Australia's leading sport magazine, "Sporting Life." It is an elaborate picture story on Haleah, titled "Riding in Paradise."

The Pahokee High School Band was rated "superior" in all contest phases—concert playing, sight reading and marching—of the annual District One Inspection Contest held for the band at the high school here Tuesday. This highest possible rating makes the 51-piece Pahokee Band eligible to compete with other superior Class CC high school bands in the State Band Contests and Music Festival at Tampa May 1-3.

During the 12 years the Pahokee Band has been under the direction of Bandmaster Robert O. Lampi it has always qualified for the State Contest and this is the second time it has rated superior in all phases of a district contest; rated superior in both concert playing and sight reading and excellent in marching.

Judges at this year's inspection were V. D. Sturgis, Sarasota High School; Richard M. Feasel, St. Joseph, and Col. Harold E. Bachman, University of Florida. The Pahokee Band received straight A's on the cards of all the judges in sight reading and marching and a high percentage of A's in concert playing. Col. Bachman noted on his judging card "This band marches at a perfect marching tempo."

The three student conductors, Rita Faye Hurt, Dorothy Fields and Charles McCurdy, were judged at the conclusion of the inspection. All received an "excellent" rating but required a "superior" rating to participate in the State Contest.

Elmer Jones Heads Pahokee Rote Club

Elmer Jones of Jones Hardware Company in Pahokee was elected president of the Pahokee Rotary Club at the annual election of officers held yesterday. Mr. Jones will take office the first of July when the term of Harold Rosenberg expires.

Other officials elected were: Bascom Belcher as vice president; and Bob Apelgren for secretary-treasurer.

Directors elected were: Elsworth Keen, John Elbon, J. H. Lynn and Vance Denton.

Election of officers was held yesterday, according to President Harold Rosenberg, who presided at the meeting.

The largest single shipment ever made by Florida East Coast Railroad was a 254,000 pound generator recently sent to Florida Power & Light Company's Cutler plant.

News Notes From State Capital

TALLAHASSEE — As Lewis Schott leaves the state beverage department which he has directed since 1949, Joe Bowen takes charge in his place. Bowen is the man who formed and directed the flying squadrons which have made liquor law enforcement a sharp-toothed instrument in the past two and a half years. Schott in his final statement to Governor Warren reported his agency had collected \$132,332,284 in liquor and cigaret taxes in three years.

TALLAHASSEE — Two great new tuberculosis hospitals will be opened this week and next, one at Tampa and one here. Justice E. K. Roberts of supreme court of Florida made the principal speech in opening the hospital at Drew Field. It has 500 beds, and will care for all tuberculosis patients in the southwest Florida. The other, of equal size, named the W. T. Edwards hospital for the chairman and recently reappointed member of the state tuberculosis board, will be opened April 6. Both were built from proceeds of the state cigarette tax.

TALLAHASSEE — The Peninsular Telephone Company was denied the right to put temporary rate increases into effect, pending a final determination of its request for permanent increases. Chairman Richard A. Mack of the Florida Railroad and Public Utilities Commission said the commission's experts have not yet finished studying the case, and may need more testimony, therefore a temporary rate increase would be premature. This is one of the largest telephone systems in the state, serving the Tampa-St. Petersburg and lower west coast area.

TALLAHASSEE — The state supreme court has ruled that a person with active tuberculosis may be confined against his will in a state hospital. It refused to order the release of Donald Moore, now confined against his will at the southwest hospital in Tampa. The Florida law provides for for-

cible commitment where those with an active stage of the disease refuse to have it treated.

TALLAHASSEE — Attorney General Richard W. Ervin has ruled that a motel is closer kin to a tourist court than it is to a hotel. Therefore, a motel is not eligible for a liquor license, as a hotel may be, except in very special cases. Such as, where a motel is in fact a hotel as to structure, nature and use.

TALLAHASSEE — The bid of Senator Estes Kefauver for the delegates of Florida Democrats has again and for the fourth time been challenged by Governor Fuller Warren. The governor said he will meet the senator any time, any place, to debate the fitness of Kefauver to be president of the United States. The senator has filed for the preferential primary May 6, and will campaign in Florida. Warren has suggested Jacksonville as the first debate location, but if that is not accepted, he said he would even meet him in the Orange Bowl in Miami.

Mrs. Kennedy Named Guild Head Again

Mrs. Norman Kennedy was re-elected president of St. Martha's Guild, Episcopal Church of the Holy Nativity, at a meeting at the home of the Rev. and Mrs. John C. Petrie Monday night.

Other guild officers chosen for the coming year were Mrs. Thomas Bregger, vice president; Mrs. R. T. Bell, secretary; Mrs. O. R. Bleech, treasurer, and Mrs. Curtis Chase altar chairman.

Mrs. John C. Petrie was appointed to represent the guild at annual State conference in Orlando April 29-May 1.

Minute Maid Corporation President John M. Fox, says America faces an "economic dust bowl" unless young business is given tax relief.

School Safe Loss Passes \$200 Mark

On Tuesday morning at 6:30 o'clock when W. H. Brewton, Pahokee High School janitor, opened the school building he discovered the school's safe had been broken into.

Police Chief Leon Guthrie and Principal Clyde A. Canipe were called to the scene and they called in Sheriff John Kirk and one of his finger print experts from West Palm Beach.

Entrance into the building was made by the thieves through a window from the patio. It is known there was at least \$100 in cash in the safe. Definitely missing was a \$10 check, \$4 from the petty cash fund, \$65 in lost book money, \$9, Junior Red Cross money, \$7.04, FFA money.

Sorority Members To Work For Scouts

Boy Scouts in Pahokee and Canal Point will profit from gasoline and other sales at Manning Keen's Service Station in Pahokee today (Friday). All net profits at the Station are being donated by Mr. Keen to the Boy Scout movement.

Present to wait on you and dish out the gasoline, change tires and grease your car, any and all other work will be done by members of the Sorority which has been active since its inception for betterment of the community.

The station will be operated by the Sorority between the hours of 8 a. m. and six p. m.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security, and your country's, too, buy United States Defense Bonds regularly!

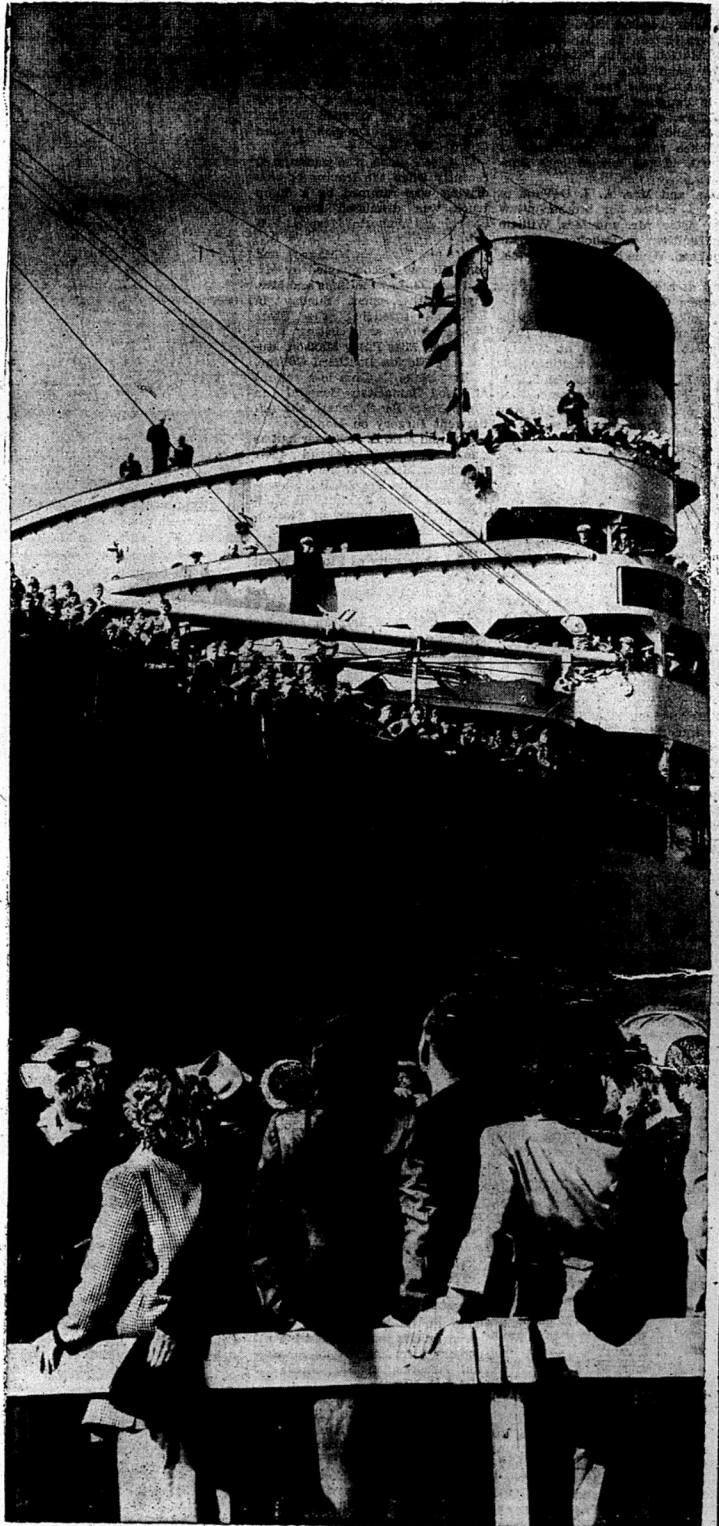

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

by her friends Jimmie Pittard and Mr. and Mrs. Boswell of West Palm Beach, were visitors of Mr. and Mrs. Frank Friend and family Sunday.

Mr. and Mrs. Sam Wilder and Mrs. Maggie W. Taylor of Plant City, were week end visitors of Mr. and Mrs. C. L. Wilder and family.

Mrs. A. Kaltenbruner has a new line of hose for men, women and children. Come and look them over.

Raymond Padgett and Henry Moran left Monday afternoon for Weepah, Nevada, the new gold camp. These two young men farmed during the winter and made good off of their farms and now they are going on a trip.

Chastain Building Undergoes Repairs

Workmen this week completed repairs on the post office building in Pahokee for the owner, Jack Chastain. New sills and piling were placed under the building and it was given a general foundation overhaul.

The wood awning on the front has been rebuilt and this week painters are busy changing the color to a delicate shade of yellow with a trim in green. A new sidewalk was recently built in front of the building by the city.

The clay floor and wall tile industry will stress home remodeling and modernization in its 1932 selling efforts, in view of the fact that

more than 2,200,000 older homes will be in the market for bathroom tiling, installations of showers or plumbing repairs.

CHURCH and CLUB NEWS

Two Churches Ask Strict Liquor Laws

Representatives of the Ministerial Association and the First Baptist Church appeared before the Pahokee City Council at its regular meeting Monday night with the request that municipal laws regulating the closing of bars on Sundays and prohibiting gambling within the city limits be strictly enforced.

The Rev. James B. Tripp, pastor of the Church of the Nazarene, and the Rev. W. Hal Hunter, pastor of the First Baptist Church, recommended that the council pass an ordinance changing the closing hours of bars on Sundays, the new closing hours to be from 12 midnight Saturday until Monday morning. The Council announced it will hold a public hearing on this issue at its next regular meeting Monday night, Mar. 24.

An improvement program for the streets in the Vetville subdivision was voted, streets with proper base to be paved and the others to receive an all-weather topping of marl.

Sorority Headed By Mrs. Jess Elliott

Mrs. Jess M. Elliott was elected president of the Beta Omicron Chapter, Beta Sigma Phi Sorority, at a meeting at the home of Mrs. J. T. Boynton, with Mrs. Jack Phillips, co-hostess.

Other new officers elected were Mrs. Jack Phillips, vice president; Mrs. Earl Crossman, recording secretary; Mrs. Edward A. Jensen, corresponding secretary, and Miss Betty Pickett, treasurer.

A special election to choose officers for the Sorority's newly organized Exemplar Chapter was also conducted at the meeting, with Mrs. Glenn Abling elected president; Mrs. Melvin Spooner, vice president; Mrs. T. W. Knight, recording secretary; Mrs. Rupert Mock, corresponding secretary, and Mrs. Lewis Friend, treasurer.

Mrs. Norman Kennedy announced the sorority will sponsor a pre-fertential tea and annual founders day program at the home of Mrs. Max Beverly on April 30 and plans were made for a "ritual of jewels" ceremony at the home of Mrs. J. T. Holden on May 1.

Mrs. John A. Dulany reported the sorority has purchased a piece of equipment for the hospital kitchen.

Mrs. Clyde Griffies, program chairman, introduced Mrs. M. Crich, principal of the Royal Palm School, who showed colored slides of activity scenes at schools for exceptional children. Mrs. Albert Witterstrom of West Palm Beach, Exceptional Children Committee chairman for Palm Beach County, was introduced as a visitor.

Christian Science Group Of Canal Point

Spiritual qualities of wisdom, understanding, truth and justice are the evidence of God and are shown forth as man hears and follows the voice of truth. This will be brought out in all Christian Science services next Sunday when the subject is "REALITY."

The Golden Text is from Isaiah (6:3): "Holy, holy, holy, is the Lord of hosts: the whole earth is full of his glory."

Readings from the Bible include the following from I Corinthians (2:14): "The natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned."

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Spirit imparts the understanding which uplifts consciousness and leads into all truth."

This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light" (p. 505).

Temperance Group Held Meeting Monday

The Pahokee Unit of the Woman's Christian Temperance Union met at the home of the president, Mrs. James B. Tripp, Monday night, with Mrs. Tripp presiding.

The group endorsed the resolution presented by the Pahokee Ministerial Association to the City Council Monday night, urging stricter enforcement of municipal laws regulating the closing of bars within the city limits on Sundays.

Mrs. Earl Pitts was named a delegate to represent the Pahokee Unit at the annual WCUTU district meeting to be held at the Calvary Methodist Church in Lake Worth Tuesday, April 8.

Members turned in at the meeting the comfort bags they have been making as a group project for the veterans at the Pratt General Hospital in Coral Gables.

Mrs. John A. Dulany presented the devotional program.

Insurance Workers Will Go To Convention

C. A. Batchelor, district manager of the Life Insurance Company of Georgia with offices in Pahokee, said yesterday that he and a group of his men will attend the annual convention of the company in Old Ft. Comfort, Va., the week of May 13-20.

Mr. Batchelor said that Tony Burnett, staff manager, and Tom Bernhardt and Paul Watson, agents, and their wives will make the trip at the expense of the company. The three members of the concern qualified under a joint system, Mr. Batchelor said, and will be guests of the company at the convention.

Mr. Batchelor and Mrs. Batchelor will also attend the convention as guests of the company for attaining unusually high standing in the southeastern states during the past year.

Halley B. Lewis Seeks Seat On High Court

Halley B. Lewis, Arcadia attorney, qualified as a candidate for Justice of the State Supreme Court in Group 2, opposing Justice B. K. Roberts, an appointee of Governor Warren, has crowded an amazing amount of activities into his 41 years. A successful DeSoto County attorney today, Lewis has also rendered outstanding service as a teacher, athletic coach, legislator, judge, and during his residence in Arcadia, he has taken an active part in civic affairs.

Lewis was born May 21, 1910, near Williston in Levy County and reared in that community. He attended public schools of Levy County, taking a prominent part in student nad athletic activities, before graduating from Florida Southern College, Lakeland, in 1935.

In the 1937 session he served as Vice-Chairman and 1939 as Chairman of a House Committee on Education, and in 1937 he was appointed by the Speaker of the House to membership on the Special Legislative or Interim Committee which drafted and sponsored the passage in 1939 of the School Code, a work which was said to be the outstanding contribution to education in America in 1939.

Lewis graduated from the Law College of the University of Florida in 1945, and thereafter served one year as Research Clerk for the State Supreme Court, before entering the private practice of law in Tallahassee. In August of 1950, he was appointed Judge of the Small Claims Court of Leon County, and resigned that position to move to Arcadia in January, 1951.

Halley B. Lewis is a member of the Methodist Church, Masonic lodge, Order of Eastern Star, Elks, Phi Alpha Delta legal fraternity, Arcadia Rotary Club, and is a director of the DeSoto County Chamber of Commerce.

John Prince Better After Crash By Car

John Prince, vice chairman of the County Commission, is making rapid recovery in a West Palm Beach hospital from injuries received when he was struck by a car in Lantana earlier this month.

Commission Chairman Kenneth Foster told this board Monday that Prince, who sustained a fractured shoulder and multiple bruises and cuts, would probably be released from St. Mary's Hospital within a few days.

Prince was injured when he was struck by a car while he was walking across Dixie Highway in Lantana.

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of $\frac{3}{4}\%$ per year. For full details, ask at any Federal Reserve Bank or Branch.

Voting Privilege Is Overlooked By Many In America

MIAMI—Commenting on the apathy of the average American voter, Capt. Eddie Rickenbacker, speaking here recently, said:

"One of the greatest privileges we have today is the freedom to vote as we see fit. Shall we abuse it, or shall we put forth every effort to see that our friends, families and fellow-workers understand and exercise their rights?"

"I wonder what Benjamin Franklin and other founders of our country would say if they knew that less than half of the eligible citizens of these United States voted in the last presidential election in 1948.

"How can we hope to retain our freedoms and opportunities if we disregard our moral obligations and responsibilities to our country?"

"Let us stop fooling ourselves any longer. Let's sit down and quietly analyze ourselves. Only in this manner will we know how we have failed ourselves, and our country."

Commenting on Rickenbacker's remarks, Harold Colee, Executive Vice President of the Florida State Chamber of Commerce, points out that "We have an opportunity to redeem ourselves this year in the election of a President as well as congressional, state and local, officials."

The State Chamber, like Captain Rickenbacker, is alarmed over the situation and is spearheading a statewide effort to "Get Out the Vote."

Be true to yourself and your country, REGISTER and VOTE this year.

Local Lions Look For Cash For Lights

Canal Point Lions at their regular dinner meeting in the Community Building at the County Park Monday night discussed plans for collecting funds from the public to pay the Florida Power and Light Company for street lights in the Canal Point area during the coming year.

Delmar L. Hooks, G. Lawton Sims and Grady T. Echols are on the Lions street lights fund collecting committee. Nearly \$500 is required for a year's operation of the street lights.

President Floyd Erickson, who presided at the meeting, called on committee chairmen for monthly reports of club activities.

Florida's natural water resources are exceeded by those of no other area of equal size on the American continent, say authorities on the subject at the University of Florida.

Carney Wilder Gets Lions Club Trophy

At the Tuesday luncheon meeting of the Pahokee Lions Club, the club's annual trophy for the most outstanding backfield player on the Pahokee High School Blue Devil football team was presented to Carney Wilder, All-Suncoast Conference and Little All-State passing ace. Coach W. A. Kendrick, a Lion, made the presentation on behalf of the club.

Chairmen of standing committees were called upon for monthly reports of committee activities by President Leonard Dobrow, who presided.

It was reported the club has donated \$65 to the new Pahokee Boy Scout Troop recently organized under its sponsorship. William Weathers is scoutmaster of the new troop.
